

## REQUIEM'S EMBRACE

Guitarist Alex Mele (Kaledon) and vocalist Eleonora Damiano (ex Epinikion) join forces to create the symphonic power metal band, Requiem's Embrace. This talented lineup also includes bassist Silvia Pistolesi (Hellucination), guitarist Francesco Ciancio (Kaledon), keyboardist Fabio Bernardi (River Of Change), and drummer Manuele Di Ascenzo (Imperial Age).

Having recently inked a deal with Sleazy Rider Records, the band is set to unleash a debut-EP on July 5th.
